Legislation Title:

AN ORDINANCE relating to the Seattle Municipal Code Section 22.400.010; amending Section 110 of the 2012 Seattle Mechanical Code, regarding administrative review of decisions related to application of the Mechanical Code.

Summary of the Legislation: This legislation clarifies the procedure for review of DPD decisions about permit applications. Review by the building official is available before the permit is issued, and review by the Construction Codes Advisory Board is available between the time the building official reviews and permit issuance.

Background: The Seattle Mechanical Code is one of several construction-related codes that local jurisdictions are required to enforce. New editions of these codes are adopted by the State every 3 years; Seattle adds local amendments to the State codes. Seattle adopted the 2012 codes in 2013.

This legislation is one of seven related bills that amend the construction-related codes to adopt recent state code provisions and correct errors. The issue addressed in this legislation is included in 5 of the bills.
